## Voters: make sure you bring ID!

All voters must provide identification to be eligible to vote. The purpose of the voter identification is to provide proof of identity and residence. Photo identification is your best option but there are other alternatives available to you.

### Photo ID – Your BEST option to take to the polls

You require only **one original** piece of identification if it has your photo, name and address and it is issued by a federal, provincial, or municipal government. Most people use their Saskatchewan Driver's License. If you are a non-driver, you may obtain photo identification from Saskatchewan Government Insurance at little or no cost. If your identification does not meet these criteria, it will not be recognized as an acceptable form of photo identification.

Examples include:

- A valid Saskatchewan Driver's Licence. (If you have a two-piece licence, make sure you have both pieces).
- A valid Saskatchewan ID card issued by SGI or any motor licence issuer. (Available for \$10 or free for seniors).
- Any other valid government issued photo ID issued by a Canadian government whether federal, provincial, municipal, or an agency of that government, if it includes your name and address.

### Please note:

A Canadian passport is not an acceptable form of photo identification because it does not contain your address. However, a Canadian passport can be used as identification if paired with another document that has your name and address on it.

### Acceptable Non-photo ID Options

If you don't have photo identification and are unable to obtain photo identification before Election Day, you can present two pieces of information if both contain your name and at least one contains your address. Examples include:

- Valid ID cards or certificates issued by the Canadian or Saskatchewan government, a Saskatchewan municipality or school division, a Saskatchewan Indian band, the Métis Nation of Saskatchewan, or an agency of one of these entities.
- Personal correspondence, benefit/contribution statements and tax/assessment notices issued by any of the above entities.
- Bank/credit union cards, credit cards and statements.
- Utility bills and statements issued within six months of the date of the election.
- Personalized attestation of residence, letter of stay or admission form issued by a seniors or student residence, long term care or shelter facility.

### Vouching (in person voting at the polls only)

A person without acceptable ID but who is accompanied by another voter who has acceptable ID and is entitled to vote in the same municipality can be vouched for by that individual using the form available at the polling station from an election official.

### Please Note:

- A voter with acceptable ID may only vouch for one other person, except for immediate family members living at the same address as the voucher.
- A person who has been vouched for cannot vouch for another voter.
- Election officials, candidates and candidate's agents are prohibited from vouching.
