Village of Lipton is now accepting applications for:

SUMMER STUDENT EMPLOYMENT

Snow Removal

- As snow falls make sure the snow you remove from your property is **NOT** placed on the street. Please keep it on your own property. If any snow is thrown on the street after it has been cleared, staff will not circle back to clear it.
- We ask that you make sure all power cords, and all other debris or obstructions be removed from the street. The Village is not responsible for damage done to anything that is buried and not visible beneath the snow on the street during removal.
- Please note that angle parking is permitted on Main Street only. All other streets allow parallel parking, one vehicle deep.
- Our snow removal process is to pile all the snow into the middle of each street, and then haul it away. Please be patient, we promise we will get to your street.
- If you see snow removal equipment in operation, please give the staff plenty of room. If you are too close to the equipment, they may not see you or your vehicle and might not be able to stop in time before an accident happens.

Key FOBS for Truck Fill

The Village of Lipton offers water FOBS. Instead of keeping a pocket full of coins for when it's time to haul water, you can keep a FOB on your keychain.

Payments can be made by cash, cheque, or E-transfer. Your usage can be monitored by email, and information is readily available when needed. It's even printable if you need a receipt. There is a \$30 deposit required for the FOB. Contact us with any inquiries.

Covid Rapid Test Kits

The Village office has rapid tests available free of charge. Please stop by the office to pick yours up.
