Daycare services in Lipton

Lipton has been awarded 20 government allocated spots
for a licensed daycare!

This is fantastic news! However, it is the tip of the iceberg of the remaining work to bring this incredible service to the Village. The next step is to form a board of individuals to keep the project moving. Are you a thinker? A doer? A planner?

Do you want to be involved in the growth of our Village?

If so, please contact Joye at 306-331-9225 to inquire about joining the daycare board!

New Mower

As with all machinery, there comes a time when replacement makes more sense than repairs – especially when parts can no longer be easily sourced. That was the case with the old blue mower – so in its place the Village has purchased a Grasshopper Mower. This new machine ensures that Public Works will be able to keep up with the grass within the Village.

Have you ever looked up at space and wondered what it's like up there? Take a journey with us to learn about astronomy, upcoming space missions and how astronauts are put to the test in space!

Disaster-Defying Architects!

Delve into the complicated world of engineering and learn exactly what it takes to design the world around you. Develop your engineering skills by building structures that will stand the test of time – and the test of extreme weather conditions!

Backyard Biodiversity!

Learn about the unique ecosystem found right outside your door. Help us look closer at the flora and fauna that make up Saskatchewan's biosphere and how we can practice climate consciousness at home! All three programs are geared towards children in Grades K – 6, and are designed to create a fun and interactive learning environment. Village Reminders

Recycling bins

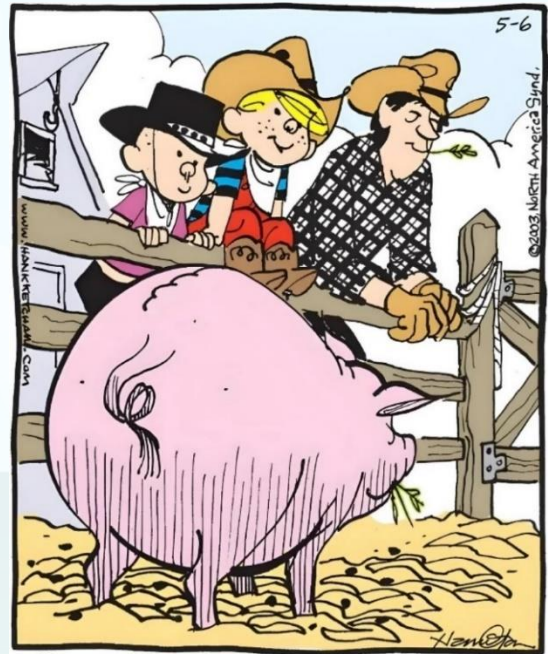

When taking cardboard boxes to the blue bins to recycle please flatten them. This ensures that there will be enough room for everyone's recycling.

Grass Clippings
