

201 Main St. | Box 219 | Lipton, SK S0G 3B0 | Ph: 306-336-2505 | Fx: 306-336-0508 | lipton@villageoflipton.com

WELCOME NEW RESIDENTS

GENERAL

- The Village Office is open Monday – Friday 8:00 a.m. – 5:00 p.m., open over lunch.
- Our website is www.villageoflipton.com. Here you will find coming events, information about the Village, and copies of frequently referenced bylaws.
- We also have a Facebook page that we post to frequently about all kinds of interesting topics. Search Village of Lipton on Facebook. The correct page will have the Village logo as a profile picture.
- We publish a monthly Newsletter. Paper copies are available at the Office, post office, and library. It is posted on Facebook and on our website. You can also subscribe to have it emailed to you. If you have an event/item for the newsletter please let the office know.

WATER BILLING

- Water meters are read every month and are read remotely.
 - Billing dates for water and sewer are the first of each month.
 - Monthly minimum usage rates are \$97.00. This is a base rate, and is charged regardless of how little water you use. If you use more than 3,000 gallons of water in a month, there is an overage charge of \$11.50 per 1,000 gallons over.
 - If you need your water shut off for any reason (e.g. moving, going away for an extended period of time, etc.) you must inform the office otherwise the base rate will still be charged monthly. There is a \$50 fee for shutting off/turning on service, and must be done when a homeowner is present.
 - A water deposit of \$100.00 is required by assessed owners and is refundable should you sell your property.
 - Water bill and tax payments may be made online with the Village of Lipton set up as a payee. Use the account number (without any spaces) on your water and tax bills to set up a payment. We are listed as Lipton (Utilities) or Lipton (Tax).
 - We also accept e-Transfers for payment. Payments can be sent to lipton@villageoflipton.com. In the memo please include what the payment is for and your address. The Village is registered for auto-deposit therefore a security question is not required.
 - We offer preauthorized debit as a form of payment for utilities only. The form can be requested at the office. You will need to provide a VOID cheque. The payment is withdrawn from your account sometime between the 1st – the 10th of every month.
 - We also accept debit, cash, and cheque in office. We are currently not set up to accept credit card payments.
-

GARBAGE PICK UP

- Garbage pickup days are usually Tuesday or Wednesday unless we are delayed due to weather or equipment repairs.
- Do not leave water in the bottom of the bins
- All garbage **MUST BE BAGGED** and inside your bin. Loose garbage in or around bins, or garbage bags in improper locations will not be picked up.
- Ensure your bins are in good condition. Broken lids, sides, etc., should be repaired.
- Your bin must be big enough to hold two weeks of garbage. Suggested specifications are below. Please note that bin lids should have hinges and a chain so the lid cannot fall all the way back when opened.

- Garbage bags should not be over 25lbs max.
- Make sure there are no safety hazards near or inside your bin (insect nests, broken glass, etc.)
- Do not let your bin become tree covered and difficult to access.
- Do not put unbagged dog droppings/cat litter in the bins
- Cement, rocks and tires are not household garbage and will not be picked up.
- All leaves and grass clippings must be bagged in clear garbage bags or recyclable paper bags. Trees and branches must be cut into 4ft lengths, and stacked neatly in the alley in a location that does not impede the use of the alley in order for them to be picked up. These items may also be deposited in the designated piles along the lagoon road.
- The Village offers composting. Compost dumped in alleys will not be picked up, it must be bagged. Do not put garbage, diapers, dog droppings, plastic containers, plastic bags, or any other items in that are not compostable. If these items are included, compost will not be picked up. There is now a bin for compost out at the lagoon. Please dump your bags into the bin and the bin only. Please do not put plastic bags and containers into the compost bin. If the Village notices that improper items are continually put in the compost, the service will be discontinued.
- Cardboard will not be picked up—please deposit flattened boxes in the **BLUE SINGLE STREAM RECYCLING BINS** across from the Village Office. A list of recyclable items is included.

- Left over paint, empty paint cans, aerosols and electronics (TV's, VCR's, computers etc.) are not part of residential garbage and will not be picked up. You must take these items to Sarcan in Fort Qu'Appelle. Check www.sarcsarcan.ca for specifics.
- North Valley Waste Management Authority takes loads of garbage as well as hazardous waste. A list of allowable hazardous waste is included. More information can be found at www.northvalleywaste.ca.

November 1-April 30:

Monday-Friday. 9:00 a.m. – 4:00 p.m. Saturday. 9:00 a.m. – 1:00 p.m.
Closed Sunday & Stat. Holidays

May 1-October 31:

Monday-Saturday. 8:00 a.m. – 5:00 p.m. Sunday. 10:00 a.m. – 4:00 p.m.
Closed Stat. Holidays

SNOW REMOVAL

- Snow will be removed from the streets as soon as possible after a snowfall event. Public Works begins at roughly 7:30 a.m. with the school area, Main St. and other business areas, then carries on to the rest of town.
- After a snowfall please refrain from parking on the street if possible. This allows Public Works to do a cleaner job of snow removal. If cars are left on the street during cleaning, and ridges left around the car are not the responsibility of the Village.
- Please stay out of the way. With the snow blowing from the blower Public Works cannot easily see you if you are to drive or walk in front of them.

DOGS

All dogs are required to be licensed, must be kept on your own property at all times and must be kept quiet. Dog licenses are \$10.00 and are obtainable at the Village Office. A maximum of two dogs are allowed per house hold. The Dog Bylaw is available on the Village website. Violations of the bylaw may result in fines.

CATS

All cats must be licensed. Free cat tags are available at the Village Office Cats must be confined in an enclosure or on a leash. A maximum of two cats are allowed per household.

CABLE TV

For more information call Access Communications 1-866-363-2225 or www.accesscomm.ca

LIBRARY

1103 Shamrock Ave. **306-336-2288**

Wednesdays. 11:00 a.m. – 5:00 p.m.

Thursdays. 12:00 p.m. – 6:00 p.m.
