VILLAGE PROJECTS UNDERWAY!

Here you can see a complete view of the lagoon expansion site and the progress that has been made since breaking ground.

TSL Mechanical is doing a spectacular job!

We are also working towards getting water services to the far North side of the Village. TSL Mechanical has already begun digging and is well on the way to having this complete.

Main St. Park Upgrade!

The gazebo is courtesy of the Lipton Rec Board and Lipton New Horizons.

Idea Events purchased the red metal picnic table and bench.

Many thanks extended to the crew who built the gazebo and the seating. It will be enjoyed for years to come.

New research shows that some fish eggs remain alive even after being swallowed by mallards, a breed of ducks. These eggs then come out as the ducks' poop and hatch when they find water again. This explains how some fishes emerge in ponds and pools without a hint.
