## Around the Village

1. The Council and Staff of the Village of Lipton would like to thank you all for a memorable year and we look forward to what 2021 will bring. We wish everyone health, wealth and happiness!
2. You may see the grader out more than usual. We are training Dwayne and he needs the experience so please bear with us while he gets to be an expert! Well, maybe not an expert but close.
3. When moving snow from your own property please ensure it remains on your own property. If you are having it removed contact the office and we will provide a location for you to haul. Do not place it on the street at any time. If we have already gone past, we may not be back and it can freeze causing major issues. We thank you for your assistance in ensuring the roads are clear and safe for everyone.

## MEETINGS

---

### COUNCIL MEETINGS

Every 1<sup>st</sup> Wednesday of each month and 3<sup>rd</sup> Wednesday if needed.

### FIRE MEETINGS

Contact Fire Chief Bruce Goff if you are interested in volunteering. Call the office for the number.

### WANT TO SEE YOUR MEETING LISTED?

Send your meeting info to [lipton@sasktel.net](mailto:lipton@sasktel.net) and it will be added to the calendar and newsletter.

4. The blue recycle bins are located across from the Office/Shop. When using them please break down your boxes so there is room for everyone.
5. Taxes were due by December 31, 2020. Please attend the office to pay your taxes and save the interest that will be applied.
6. We have been pretty lucky with the weather that we are due for some cold stuff. With that comes fireplaces being fired up. Please remember only clean firewood can be burned in a fireplace. Do not burn garbage or any other combustible material as it is unsafe and can cause a terrible odor.
7. Snowmobile safety - please make sure you are riding safely so you can return home to your family in one piece. We finally have snow and everyone just wants to have fun out there. Do it safely.
8. Please make sure your garbage bins are free of obstructions, lids are easy to secure and open and the path is clear so the maintenance crew can access them. Garbage bags should not be any heavier than 30 lbs as the repetitive movement can be harmful at great weights.

The Christmas Lights were amazing this year! Congratulations to all the winners of the lights contest held by the Lipton Ideal Events Group.

Winners are as follows:

**December 3** - Glenis and Allen Bausmer

**December 10** - Steve and Karen Enser

**December 17** - Bryson Huber

**December 24** - Darrell Sabiston

Congrats! They were beautiful!

Please follow the **Coming Events in the Village of Lipton** Facebook page for more events held by the Seniors rec group.

This year the Lipton Seniors Center Group prepared bags/baskets for all the seniors in the village and set out to deliver each one. Great job!!!! We are sure they were super appreciated and a welcomed surprise!

The **Little Christmas Shop** in Lipton was a huge success! Thank you to the hosts and vendors!
